ITA Un listello rettangolare in grès nei 13 colori Micro. disegna, attraverso molteplici schemi di posa, pavimentazioni e rivestimenti.

Utilizzato nei mix cromatici piuttosto che nelle tinte unite, Match crea atmosfere differenti che si adattano ai vari stili ed ambienti dell'abitare.

Uno studio accurato sulle fughe e l'utilizzo di stucchi dai colori abbinabili, crea un'ulteriore opportunità estetica che acquista quel sapore senza tempo caro alle collezioni Micro.

ENG A porcelain stoneware rectangular listel in the 13 Micro colors designs floor and wall coverings through a variety of laying patterns.

Used in chromatic mixes rather than solid colours, Match creates different atmospheres that adapt to the various living styles and environments.

A careful study of the joints and the use of sealant in matching colours creates an additional aesthetic opportunity that acquires that timeless flavour so dear to the Micro collections.
