3D Forms

ITA **3D Forms** raggruppa le nuove collezioni di piastrelle tri-dimensionali di Micro. Le prime due proposte sono “Cross” e “Pyper”, che permettono di giocare con la direzione della posa per creare una moltitudine di patterns in una ripetizione continua o in infinite combinazioni, consentendo di esprimersi con flessibilità e individualità. Una raccolta di proposte che celebra il movimento, i volumi e i colori, declinata nelle 13 tonalità cromatiche del progetto.

ENG **3D Forms** brings together Micro.'s new three-dimensional tile collections. The first two proposals are ‘Cross’ and ‘Pyper’, which allow you to play with the direction of laying to create a multitude of patterns in a continuous repetition or infinite combinations, allowing for flexibility and individuality. A collection of designs celebrating movement, volume and colour, declined in the 13 colour shades of the project.

ITA Cross: una collezione di quadrati 10x10 in pasta bianca nei 13 colori Micro. che porta sulla superficie la contaminazione tridimensionale, trasformando la forma più tradizionale in un'esperienza sensoriale dove gli spessori diversi, i bordi e le ombre creano giochi geometrici in rilievo con combinazioni cromatiche quasi infinite.

ENG Cross: a collection of 10x10 white-body squares in the 13 Micro. colours that brings three-dimensional contamination to the surface, transforming the most traditional shape into a sensorial experience where different thicknesses, edges and shadows create geometric relief effects with almost infinite color combinations.

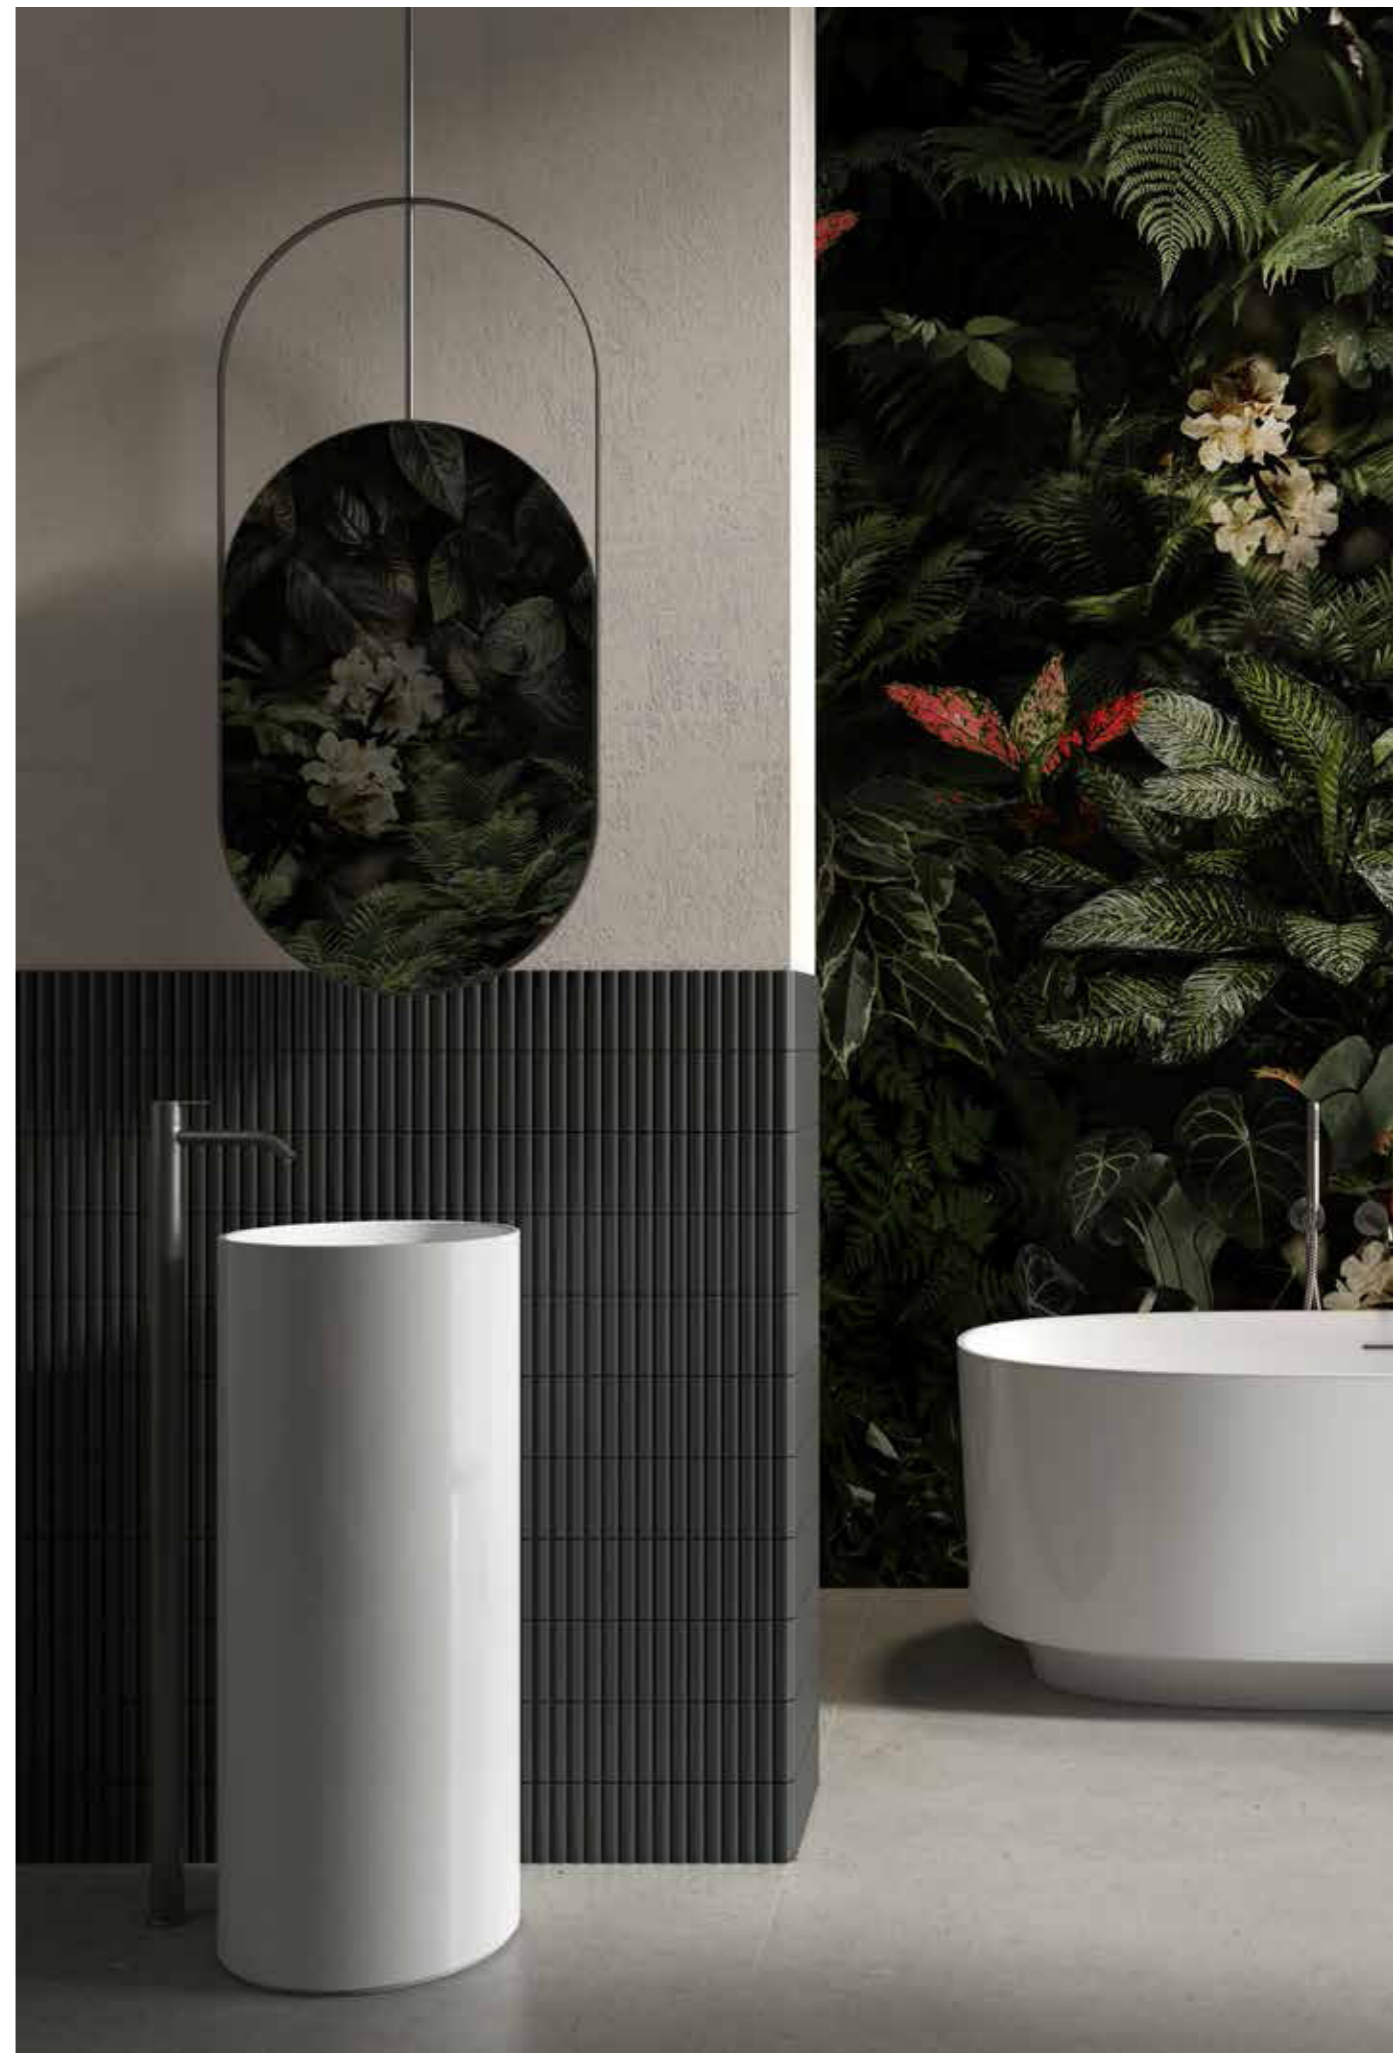

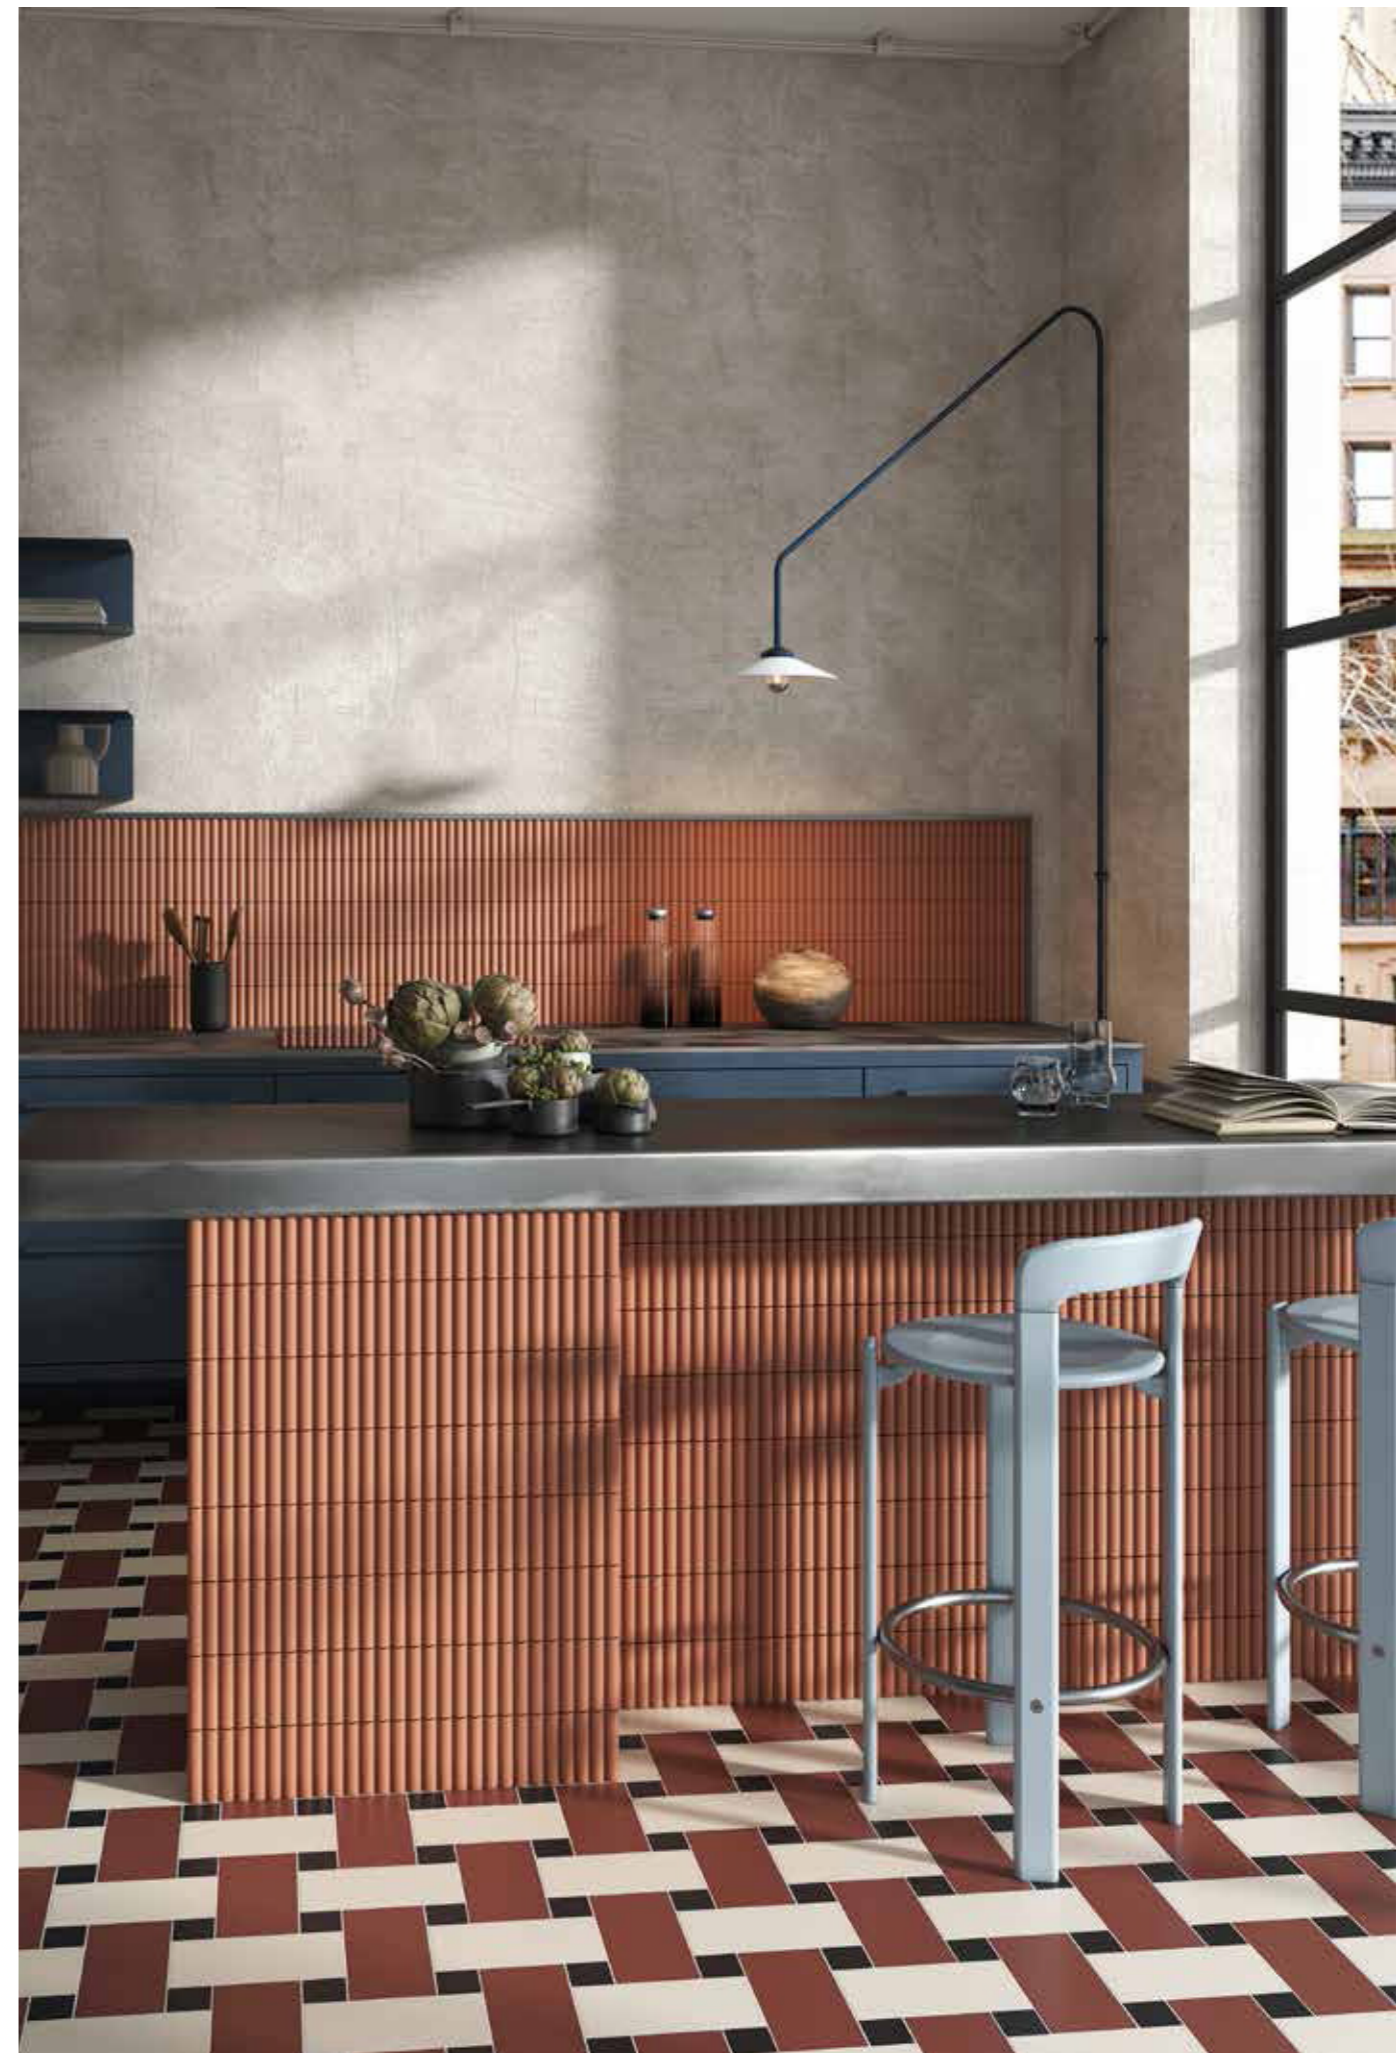

Pyper

Design
D-Segno Studio

ITA **Pyper** è un elemento di design decorativo che accosta cromie e forme 3d. Una collezione di piastrelle in pasta bianca che dona al rivestimento la sua sinfonia di 13 colori avvolgenti che garantiscono continuità visiva.

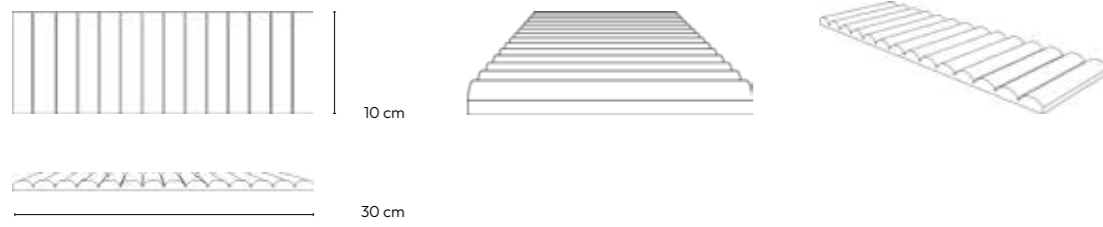

ENG **Pyper** is a decorative design element that combines colors and 3D shapes. A collection of white-body tiles that gives the wall covering its symphony of 13 all-embracing colours that guarantee visual continuity.
